Kroc Center 3-on-3 Basketball Tournament Rules

1. **Participants:** All participants must be legally registered, meaning they, and their parents, if necessary, have agreed to the San Francisco Kroc Center release and liability waiver and the sportsmanship policy.
2. **Eligibility:** All adults and teen players age 13 or older may participate. Players are allowed to participate in one division (competitive or recreational, adult or teen). There are no gender divisions. As such teams can be of mixed gender.
3. **Proof of Age:** We will not require any team to produce age verification during the team check in process, however, random eligibility checks may be conducted at any time during the tournament. If a team is found to have an ineligible player(s), it will result in an immediate forfeit. All players must be able to produce a copy of your current ID, School ID with player's name, school year and grade level clearly indicated or a copy of the most recent report card with player's name, school year and grade level clearly indicated at each game in the event that a player is challenged for eligibility. If you cannot provide documentation when challenged, your team must forfeit the game and may be disqualified from the tournament.
4. **Player Changes:** Once registered, player changes may only be made by Team Captains. Player changes are allowed up to registration at 1pm on Saturday, June 30th at registration table. A maximum of one alternate can be registered up until the day of registration.
5. **Team Size:** Each team may have a maximum of four players and a minimum of three. Only three players per team are on the court at a time. All games must start with three players, but can be finished with two or three players. Teams are welcome to employ substitution patterns as needed with their 4 player roster.
6. **Brackets:** Tournament brackets will be established based on number of entries, age, and preferred competition level (competitive or recreational) etc., based on information provided on the team entry form. Data on the form may be checked for verification. Submitting false data on the form is grounds for team dismissal. Participants should have identification with them at all times during the tournament. The brackets located at the gymnasium stage are the official brackets. It is your responsibility to periodically check the brackets.
7. A full-sized ball will be used for all games.
8. **Fouls:** Referees will call fouls. Fouls will result in possession of ball, except with one minute or less left on game clock or at "game point". When one minute remains, or at game point, fouls will result in one free throw shot for player that is fouled.
9. **Opening possession:** The initial possession of the game will be determined by a coin flip. The winner of the coin flip gets the ball first. The team that loses the flip will receive the ball on the first held ball or alternating possession opportunity. Alternating possessions will continue for all held ball or jump ball situations.
10. **Scoring:** All baskets made from inside the arc are worth one point. Baskets beyond the arc are worth two points. This tournament employs the "make it, take it" rule. Scoring team retains possession.
11. **Length of Game:** For all divisions, games end when a team reaches a score of 15 points, or the teams play a time limit of 15 minutes. A team only has to win by one point. The 15-minute clock is only stopped for injury or other circumstances. If a team is leading at the end of the 15-minute time limit, that team is declared the winner. If neither team has a lead of one point or more, the overtime rule will be activated. Overtime is "sudden death", next score wins. Team with possession of ball as regulation expires, retains possession. If ball is shot as time expires, the shooting team forfeits possession.

12. Checked Ball: All possessions will begin behind the take back line. This includes following made baskets, free throw attempts, balls knocked out of bounds, held balls, etc. The ball must be “checked in” by an opposing player before it can be put into play. The ball must then be passed in to a teammate to begin play. Defenders are not allowed to go behind the take back line until after the initial pass is made. At all levels, opponents who “check” the ball in must use sportsmanship in handing or tossing the ball to their opponent. Throwing the ball at the offensive player or similar conduct will result in an automatic point.
13. Taking it Back: On each change of possession, the ball must be taken back behind the back court or “take back” line for the possession to legally begin. This must occur whether or not a shot was attempted. Failure to take it back results in loss of possession and loss of any points scored during the illegal possession. Taking it back means a person’s whole body and the ball must be behind the take back line. The two-point arc is the take back line.
14. Boundaries: The top and sides of backboard shall be considered out of bounds.
15. Substitutions: Player changes may be made only during a dead ball situation. Changes cannot be made while a ball is in continuous play.
16. There are no time outs.
17. Player injury: A court monitor has the discretion to stop play for an injured player. If a player is bleeding or has an open wound, they must leave the game and bandage the wound properly. Players must remove blood stained clothing or saturated bandages to re-enter the game.
18. Warm up times: 5 minutes before game
19. Use of Illegal Players: The players listed on the team information form are the only players eligible to play on that team. Player changes will not be allowed after 1pm on Saturday, June 30th at registration. Prior to each game, all players must sign in on the scoresheets that include the liability and release waiver and sportsmanship pledge. Any team using an ineligible player will be disqualified from the tournament.
20. False Information: The information provided on your team registration form or player change forms is designed to help us in setting up appropriate brackets. The information is expected to be both accurate and complete. Players who list inaccurate information on these forms may be disqualified from the tournament.
21. Complaints or Issues: Only the Designated Team Captain will be able to voice a complaint or raise an issue with tournament officials. No one else, including parents or fans, will be able to discuss the matter with Kroc Center personnel.
22. Other issues: In-game decisions and rule interpretations of Court Monitors or referee. There is no appeal process! Designated tournament officials shall have the power to make decisions on any points not covered specifically in the rules and regulations. These officials shall also have the right to interpret the intent and application of these rules.
